I John 4:11 (NKJV)

“Beloved, if God so loved us, we also ought to love one another.”

Chorus:

Show Love, Show Love, Show Love, you got it! }x4

Verse 1:

Show Love, it's the agenda of a soldier, at one time I didn't know love
I had to hold up, and let Him help me grow up, Jesus came and put me on His shoulders
Now I know love, you know what? Jesus loves us so much!
I got it, I was so touched, and started getting closer, a broken heart was sowed up
He's the reason why I show love, (show love, show love) Yes Sir, its in me!
I'ma maintain, love bears all things, always, I can't afford to be offended
I'm walking in forgiveness, cause unforgiveness will eat you up alive
I gotta survive, love is my advisory, ain't no compromising

***Chorus**

Verse 2:

Love is, more than a notion, not just an emotion
If you tired of wasting your time, I'm here to remind you that love is the way to be free
I'm saying L-O-V-E, never said it would be easy,
But if you give it you'll get it back, if you give it you'll get it back, Go and show em' where the love at!
Even if they hating.. (show love, show love) It's the answer to all of your questions
There's no worrying, you can be free, you will be free when you love
Have peace when you love, Jesus will teach you to love, and keep you in love
I release you to love, His love is enough!
